PROFESSIONAL CAREER

Full Sack Web Developer

Web Site & CMS | Jan 2021 - Present

Backend development for: www.aceroproducciones.com.ar, Content Management System and maintenance.

I have developed a Dashboard Api Rest for CMS including CSS and JavaScript libraries for image management, table sorting and card sorting with drag and drop. For the backend I have implemented Slim PHP & MariaDB.

Technical Support

Government of Bs. As. Province | Mar 2016 - Present

IT Support Levels 1, 2 and 3 (full description details in LinkedIn).

I have gained soft skills that allowed me to work as a team with my co-workers in order to solve their technical issues. I have also learned how to deal with unexpected events and find solutions to complex matters.
